We hereby announce a general plate collection across ROCOR parishes, in support of the Synodal Liturgical Music Commission, which has, for more than a quarter of a century, carried out its mission of fostering the quality of singing in the parishes of the Russian Orthodox Church Outside of Russia.

The Commission's activities include: organizing regular choral singing conferences, both on the diocesan and pan-ROCOR level; overseeing the work of the Summer School of Liturgical Music in Jordanville; and sponsoring publications of musical scores, both in print and online. These activities incur certain expenses, which are currently shouldered by the members of the commission, all of whom serve on an entirely voluntary basis. We ask our parishioners to donate in order to financially support the Commission in its work, so that it may continue for the glory of God and His Church for many years to come.

Collections should be forwarded to:
